### September!

Fall is in the air and all the kids should be in full swing! Lots of activities are going this year again! We have a new PTO group that has a lot of great things planned! As always it takes a tremendous amount of work and it couldn't be accomplished without the help of the community! So thank you!

Exciting news! The ninja warrior course is in! It was accomplished in just 2 days!!!! A great big shout out to Diana and her team for getting it done! And a great big thanks to all of those who volunteered their time and energy to put it all together! It really is an amazing course and will be used by all! ### Box Top\$ For Education

The **BoxTop\$ for Education** program is one of our continuing fundraising activities and is so simple to help with! **New this year!** Download the box top app and simply scan your grocery store receipt. The app automatically picks up those items that are part of the box top program and donates it directly to the box top fund for the school! Box tops are still being collected but are being phased out.

**Vikes Store**- September 27<sup>th</sup>! The Vikes Store is a "store" where kids can use their vikes tickets that they earn to "purchase" items! i.e. soda, candy, airbuds, pens, notebooks, gift cards etc. It takes about 6 -8 parents to staff the store. Please consider donating your time or items. The kids really look forward to it every month.
