Lisa Pennington appointed Interim Superintendent

At Wednesday night's special meeting, the Board of Trustees unanimously appointed Lisa Pennington as Interim Superintendent for the remainder of the 2020/2021 school year.

Pennington is the District's current Director of Curriculum and Assessment.

"We thank Lisa for being willing to step into this position on short notice and we appreciate the support she will provide to our staff, students and patrons, as we work to close out the school year," trustees said in a statement. "Lisa will be communicating with staff once she returns from a few days of pre-planned leave."
