Middleton School District Patrons, Faculty and Students,

I would like to express a very sincere and heartfelt thank you to each and every one of you. During this past couple of months, the kindness, compassion and generosity demonstrated within this School District has exceeded all my expectations:

- The Middleton High School Leadership drive was such a success. Every year the Leadership class, faculty, students and community come together to offer support to several families who need assistance.
- Each Elementary School and the Middle School sponsored angel trees. There was such a desire to help those who might be less fortunate or undergoing a hardship, we couldn't keep tags on the angel trees. Community members were calling the different schools to find tags so they would have the opportunity to participate.
- A student conducted a coat drive with support of Mill Creek Elementary and Middleton Middle School, several businesses and the Idaho Basque association that was extremely successful. We were able to provide coats for all who requested them this winter.
- The wish assembly that was held at Middleton High School was fun to experience and so touching at the same time.
- A group of amazing students at the Middle School spearheaded a coin drive to raise money for a family who lost their home to a fire. The amount raised should help the family secure a rental.
- Middleton Police Department sponsored several students to go "Shop with a sheriff." This gave students an opportunity to go with Law Enforcement to have breakfast, ride in patrol cars, and go on a shopping spree where they were allowed to buy a few gifts for their family members.
- Several School clubs raised money and provided gifts and food to students and their families.
- Thousands of pounds of food were collected and donated to the Middleton Food Bank and Middleton Food Pantry.
- The FFA made and donated blankets to St. Luke's Hospital.
- Canyon County Juvenile Probation donated bikes to several students in our School District. This is through a program they offer that allows youth to learn how to assemble and repair bikes.
- In addition, many of the churches, Individuals and organizations adopted families or donated funds to provide Christmas gifts or basic needs for a great many of the families in our School District.

These are just a few examples of the considerable generosity and kindness that have been demonstrated. The sheer amount of participation has been extremely overwhelming. Please accept this as my wholehearted thank you for the heartwarming benevolence in our School District. I am humbled to be part of such an amazing Community! Middleton is a great place to live and work.

Thank you so much,
Teresa Brown
