DESCRIPTION

This workshop is for law enforcement, probation officers, school administration, treatment providers and counselors. This session is unique, in that it provides over 120 visual aids for attendees to hold and become familiar with. In today's culture everything is person-specific and has different meanings to different individuals. For each person to help prevent youth and adult substance abuse, you MUST know what is going on in your community.

These new trends are very popular and it is important for all who are involved in prevention, education, treatment or enforcement to understand these sweeping changes in the drug culture.

TOPICS COVERED IN THE TRAINING

This workshop covers alcohol and drug clothing, alcoholic energy drinks, alcopops, alcohol and drug concealment methods and containers, drug paraphernalia, drug related music and groups, logos, stickers, new technology, youth party tendencies, party games, non-traditional alcoholic beverages, social networking sites, synthetic drugs, OTC drugs, inhalants, concentrates, E-cigarettes, and popular party drugs.
