

**MIDDLETON SCHOOL DISTRICT #134
POLICY AND PROCEDURE MANUAL
SECTION 3000 - Students**

STUDENT PUBLICATIONS.....POLICY 3004

Included in our District’s curriculum, as assigned by the individual classroom teacher, may be school publications or other expressive activities generated by the student(s), that are designed to impart particular knowledge or skills to other student participant(s) (all school publications or other expressive activities must have a reasonable connection with the curriculum). These publications are not a public forum, and the District has the authority and responsibility to approve or disapprove all school publications and expressive activities. Therefore, school administrators and classroom teachers will regulate the contents of all school publications and expressive activities.
